Every facility has a different method for tracking your participation. Please make sure you follow the requirements at the facility you join in order to be eligible to receive reimbursement. The Diocese of Victoria will reimburse each participant ½ of the monthly fee (maximum of \$30.00) if the participant works out a minimum of ten (10) times per calendar month. If the facility requires a sign-up fee, the Diocese of Victoria will be invoiced for this fee.

****If you wish to join Planet Fitness, please send me an email so I may submit the information directly to Planet Fitness' Club Manager for tracking and reimbursement.***

Please contact Melissa Salinas at 361-827-7177 or msalinas@victoriadiocese.org if you have any questions about any of the information. Thank you!
